Please note that in cases where Ordinary Residence is questioned, HIO may request the submission of additional ordinary residence evidence, such as recent electricity bills, water board bills, last tax statement etc, for any Beneficiary Eligibility Category (i.e CY Citizens, EU Citizens, Third Country Nationals). Also note that in case where the evidence submitted is in the name of the spouse of the applicant, additionally the applicant must submit either a recent mobile phone bill in his/her name indicating his/her address OR the married couple declaration for cohabitation document signed by the couple and verified by the Community leader.

In addition, it is noted that the documents that are issued by other EU countries or Third Countries and which are submitted as a proof of relationship with the beneficiary:

1. Must confirm their legality (authenticity), with one of the following methods:
 - By having the apostille stamp or by having a diplomatic ratification (applies for documents issued by any country) or
 - Being an authentic public document to which the multilingual standard form in Greek or English is attached, for which a sample document is listed on the official European Union website (applies only for documents issued by EU countries)
2. Must be translated in Greek by a sworn translator of the Republic of Cyprus (a list of the sworn translators can be found at the website www.pio.org.cy). In case the authentic document is issued in Greek or English or the standard multilingual document is attached to the authentic document which is issued by an EU country, the translation in Greek by a sworn translator of the Republic is NOT required.
